The East Lake Cup is being contested over three days, following the format from the final three days of the NCAA men's and women's golf national championships. On Monday, Oct. 28, the eight teams competed in individual stroke play competition to determine the individual champion and to seed for two days of match-play competition. Tuesday-Wednesday, Oct. 29-30, two match-play tournaments will be hosted simultaneously for the men's and women's divisions, with the semifinals taking place on Tuesday and the finals and consolation matches on Wednesday.

Teams for the East Lake Cup are competing on the championship golf course at East Lake Golf Club, home of the TOUR Championship, the season-ending event of the PGA TOUR's FedExCup Playoffs. The East Lake Cup benefits the East Lake Foundation, a charitable organization dedicated to helping families build better lives and children reach their highest potential through its holistic approach to community revitalization incorporating mixed-income housing, cradle-to-college education and community wellness. The East Lake Cup is one of the largest contributors to the East Lake Foundation, having raised more than \$1.5 million for the East Lake Foundation since the tournament's inception in 2015. ZipRecruiter is the presenting sponsor for the East Lake Cup, joining tournament sponsors Bridgestone Golf, Mercedes-Benz, CSX, Uber and Topgolf.
