PRE-GAME QUOTES

Head Coach Bruce Pearl

On the start to the season...
 "Every season is a journey. Every team is different and you can see where we are, and you can see how far we need to go. It's nice to be able to win along the way, but obviously we've got to get a lot better if we're going to be able to beat the people that are on our schedule later on in the season."

On what Babatunde Akingbola is working on...
 "Having more confidence offensively. He's got great defensive confidence, but he doesn't have a lot of confidence offensively. That will come to him through experience. He is a better offensive player than he gives himself credit for."

On transfers sitting out a year (Jamal Johnson)...
 "It helps a lot. I think guys transferring and sitting out a year is a great tool for them to develop personally and get ahead academically. Jamal had a lot of catching up to do physically. He was behind strength-wise and in regards to his physical development. He had some injuries when he was younger with his hips and his knees and things like that, so last year was a great chance for him to just get physically better."
