Homecoming
Jordan-Hare Stadium >> Auburn, AL

Auburn Head Coach Gus Malzahn

Opening statement...

“First of all, I just want to thank our crowd. They were loud and outstanding on Homecoming. It was a big victory for us. Our goal was to improve each game and we did that. Overall, we talked about covering kicks and special teams. I think we did a very good job with that. Defensively, holding Kent State to 16 points was good to see because they have some playmakers. Offensively, we were able to run the football. We talked about being better on first down and we definitely did that tonight. I think the quarterback keeping it early opens things up the middle. I thought our offensive line did an excellent job. They played their best game tonight. Bailey Sharp made his first state for Prince Tega Wanogho. He was a little banged up from last week. I’m just really proud of Bailey and like I said, our offensive line played well. Overall, it was a good win for us. We’re 3-0 and we get into our conference season. We have a very important game next week against a very, very good team.”

On playing a lot of backups...

“It was really good. It was really good for developing depth, it was good for morale, and for some of those young guys to get out there and show what they can do. We talked about being able to get more running backs involved and we were able to do that. All the running backs played except D.J. Williams. He is still a little banged up and we’ll see about him next week. Joey Gatewood got a chance to get in there and I think everybody can see that when he pulls the ball, it’s a lot of fun to watch. I thought it was good to get those guys some reps. Even our backup offensive line did a solid job when they got in there and got some push.”

On Bo Nix keeping it on the read...

“I think it just depends on what the defense gives you. I think it’s more of him just getting more experience too. I think he made some really good decisions. He stuck his foot in the ground and went north and south once he pulled it. I think that really made a big difference.”

On getting confidence going in the running game tonight...

“It’s really important when we’re running the football and playing with pace. That’s when we are at our best. It opens things up. It was a really good night. I think more than anything, it was just a commitment to run the football. We were very committed to doing that tonight and I think that helped also.”

On the defensive effort...

“They threw some new things at us. That happened the first two weeks too. Our guys adjusted. The great thing about our guys is we have a veteran group over there that can adjust, and they did a great job. We had some twos and threes in there the last little bit and we just want to make sure those guys some experience.”

On how he feels about the team after three games...

“We have a veteran defense and we have a lot of experience back on offense. It was good to have Anthony Schwartz back out there and he was still playing with the cast. Hopefully, that will be different next week. When he’s on the field, it really changes things. I’ll be really excited once we get his cast off

and get Seth Williams back and get our full force at wide receiver. I see our quarterback growing each game. It's really good for him to go through different experiences and different looks. Through the first three games, he's seen about everything. You expect that defenses will do that because of going up against a true freshman. The good thing is, we've seen just about everything and I think that will help him as we move forward."

Jeremiah Dinson, DB, Sr.

On bouncing back after the first drive...

"They were really going fast and we just had to settle down. Coach Steele made some adjustments and got us lined up to just play ball."

On going up against screens...

"That's big with the type of defensive line we have. That's what you're going to get from a lot of offenses. Screens, screen and go's, a lot of quick game stuff. They did a good job executing their screens, but we rallied to the ball and did a good job tackling."

On the importance of getting young guys playing time before SEC play...

"That was good to get some of these young guys playing time because you never know later on in the season, you might need probably two or three freshmen to step up. For those guys to get some playing time today that was good for them."

Marlon Davidson, DE, Sr.

On getting five sacks as a team...

"I feel like we prepared well in practice and we've showed that we can rush the passer against our offensive line. To bring it out here and have three or four of us get sacks, it's just fun period."

On being ready for SEC play...

"Yes, we for sure are, and I think next week we're going to show it."

Shaun Shivers, RB, So.

On three players rushing for 100+ yards...

"That's how we know we can put players in. It's good that players can make plays for that many yards to help us win."

On SEC play starting next week...

"We just have to keep going. We have to practice well, keep pushing and play football like Auburn knows how to play football."

On the team rushing for 467 yards...

"It feels good knowing that on offense we can run for that many yards. We are going to keep going and try to rush for more yards than that."

Eli Stove, WR, Jr.

On running free on a deep route...

"It's a pretty good feeling."

On establishing the running game...

"We ran the ball really well. As we start running a lot, the passing will open up, which is what we established."

On being 3-0 heading into SEC play with a top-20 team...

"We have to look forward to getting better throughout the week. As a receiving core, we have to work on blocking and deep balls."

Bailey Sharp, OL, Sr.

On starting his first game...

"A dream come true. I remember when I was a little kid going to an Auburn game, I told myself one day I would play. It took a while, but five years later and to have that confidence between me and the coaches to finally go in and play. Just a dream come true that's all I can say. Just a dream come true."

On when he found out he was starting...

"I was practicing throughout the week and on Thursday when we usually do our walk through, I had both Coach Malzahn and Coach Grimes telling me. For the most part I just stayed locked in, stayed focused and made sure I played the game. And it didn't really hit me until right before the game started, thinking that this is going to be amazing."

Kam Martin, RB, Sr.

On how the team played...

"I feel like we played well. We ran the ball well. The offensive line did really well today. Overall, we played really well. We got the victory. Now it's time to get our focus on those guys that we play next week."

On how he feels about the team headed into SEC play...

"I feel real good. There's still some things that we need to work on, but we're going to get better."

Anthony Schwartz, WR, So.

On how he feels headed into SEC play...

"I'm very confident in the team. Especially with how we played today. The offense ran the ball for over 450 yards."

On how it feels to get back out there after the injury...

"It's great. It's been hard watching our team from the sidelines. Not being able to play was hard—especially against Oregon. I know my teammates have my back, and I know they were going to do what they can do."

Homecoming
Jordan-Hare Stadium >> Auburn, AL

Kent State Head Coach Sean Lewis

Opening statement...

“Obviously, that’s a really good Auburn football team. We knew that coming in. The kids fought really hard. I thought they did a good job battling. Obviously, we’ve got a ways to go in the chase. The standard here, at Auburn right now, they’re ranked in the top 10 for a reason. They’ve done a great job of building the program over time and it’s something we aspire to do ourselves.”

On close game in the first quarter...

“We were executing. We were straining and we were fighting and finding ways to make those plays because our level of detail was really, really high. So we knew against this team that the margin for error was really low, so we were straining and the kids had a great attention to detail. I think over the course of the game that waned a little bit and the game got away from us.”

On misconduct penalty in the first quarter...

“There was a little bit of a double pass there. I thought that we were throwing the ball back to our quarterback. It thought the hit was a little bit late and I wanted to show our kids know that we weren’t going to come down here and get pushed around. But I was in the wrong, I went out too far and said the wrong thing. I just wanted to protect our kids.”

Woody Barrett, QB, So.

On his return to Auburn...

“It was a great experience. It was nice to see the class I was recruited with. It was nice to see the boys come out and compete.”

On having his family come watch him play...

“It was a great experience. I’m happy for them to be able to see me play. We have many more games to come.”
