*Opening statement...*

“First things first, we’re happy to be 2-0. We played a very quality opponent like we talked about and they were as good as advertised. Our fans did a wonderful job. It was hot. I really appreciate our fans hanging in there. They got here early, they were loud, and they stayed late. I thought that was huge. Defensively, we did a super job against an offense that’s been averaging a lot of points and a lot of yards rushing. They were 2-of-15 on third down. It was just a great third-down plan and execution. Offensively, the big thing obviously is that we have to run the football better, specifically in the first half. We had too many passes and we have to correct those mistakes in the first half. In the second half, there was some movement. We kind of changed things up with some gap schemes and that really got us into a rhythm and led to some points. Overall, I think it’s a quality win and we took care of business. They played extremely hard and that was a quality opponent. We’re 2-0 and we’re looking forward to playing at home next week.”

*On the changes in the running game in the second half...*

“I think the big thing was that in the first half, there were a lot of runs that resulted in one yard or less. You get behind the chains doing that. We need to do a better job of running the ball on first down, regardless of scheme. When we are able to do that, we get in a rhythm. I think you saw that in the second half and you didn’t see it in the first half. Like I said, we were able to make some adjustments and do a better job in the second half.”

*On the importance of Will Hastings and Eli Stove in the passing game...*

“Both of those guys are very important, and they are playmakers. They are both veteran guys and they just know how to get open. It gives the quarterback a lot of confidence when they are throwing to those two guys.”

*On the offense going forward...*

“We’re still a work in progress as an offense. I feel like we are going to get better and better each week. There’s a lot of things we did in the second half that I know we can build upon.”

*On Bo Nix’s performance...*

“He’s still learning every game. We are really proud of him. He’s competing his butt off out there. To ask him to throw it 29 times in the first half, that’s not what we’re looking for. We’ll keep getting better. We’re a team. When we can run the football, we are a good offense. So that really has to be a focus moving forward. In the last two games, we’ve been successful running the ball in the second half. We just have to get to where we can do that in the first half.”

**Bo Nix, QB, Fr.**

*Thoughts on game...*

“We won the game, so that’s what matters in the end. Obviously, I have to play better, but the offense played well in the second half and defense played lights out the entire game.”

*On how offense can improve...*

"We have to click a little better. We have to become more comfortable with each other and a lot of that is through practice and more repetition of things.

*On running the ball in the second half...*

"It helped a lot. We figured out runs that would work against what they were doing to us. It opened a lot of things up."

*On any nerves in his first game at home...*

"I wasn't nervous, but I was excited. I was ready to get out there and play in front of the fans, and they showed up and it was an awesome atmosphere out there tonight. Like I said, I was really fortunate to be able to play in the first home game."

*On how his home debut felt...*

"It was awesome. It was very loud and packed. Auburn is a fun place to play and I knew that coming in. I'm glad it was a good turnout."

### **Derrick Brown, DT, Sr.**

*On how the defense is able to buckle down...*

"Coach always tells us to be a dominating defense and work our way into something we want to become."

*On the first game at home this season...*

"It always feels good. It's always good to be back in front of the home crowd."

*On if it felt good to step on the field at Jordan-Hare Stadium after returning for senior season...*

"Yes, there's no better atmosphere than college football. Saturday night and being here, there is not greater feeling."

### **Marlon Davidson, DE, Sr.**

*On his thoughts on the game...*

"I feel like my defense played really good today. I feel like we executed on third down and we got off the field. I feel like we left a lot of plays on the field with first and second, though. We got a lot of errors and stuff. I mean it was a very good Tulane group. Their quarterback is a very good, mobile guy. He gave us a lot of problems running the ball. It is a great team overall."

*On Tulane's trick play out of halftime...*

"Our coach told us 'watch that trickery, watch that trickery, watch that throwback pass, watch this and watch that' because they showed evidence from last year's game that they did. They came out with it in the first drive and we just stopped it. They stopped all the trickery stuff. They tried multiple trick plays and we held it pretty good."

**Will Hastings, WR, Sr.**

*On getting his first touchdown...*

"It felt really, really good. Thank God that I stayed healthy and everything I've gone through. It was awesome getting in the end zone and just celebrate with my teammates."

**Jeremiah Dinson, DB, Sr.**

*On his interception...*

"The defensive line - Nick Coe, Derrick Brown - they got a good push at the quarterback and tried to hit the tight end, and the ball was in the air for a long time, I just ran it down and made a play."

*On keeping Tulane out of the end zone...*

"We didn't want them to score at all, so I'm really kind of mad. They got themselves six points, but you know the W is the big picture. Like I said last week, the big picture is always the win. There is some things we can fix, some things we'll go over on film tomorrow and look at but the big picture always the win."

**Christian Tutt, DB, So.**

*On keeping Tulane out of the end zone...*

"We just play Auburn defense. We just saw the edge, we saw the gap and we just played Auburn defense all night."

*On the defense's performance...*

"We could have been better. There are adjustments we could have made. It's a lot of mistakes we made out there, but overall I think we did pretty good. We just got to get back to work tomorrow move on to Kent State."

*On his role as the punt returner...*

"It means a lot. I'm the only young guy out there. I just have to play to the level of everyone else, the veteran guys. So I know they got my back so I'm just trying to move on a play for them."

**Jack Driscoll, OL, Sr.**

*On the team's overall performance...*

"We didn't start out running the ball well. They threw us some funky looks, but we have to put that on ourselves. In the second half we changed it up a little bit and got our groove. In big-time games we have to be able to establish the run in the first half. We'll figure out tomorrow what we can improve on."

*On the scoring drive in the third quarter...*

"It was a textbook Auburn drive. We went to Coach Malzahn and said we want to run the ball."

**No. 10 AUBURN vs. TULANE**

**Jordan-Hare Stadium >> Auburn, AL**

**Tulane Head Coach Willie Fritz**

*On prep for Auburn...*

"We knew coming in that we would have to have a lot of discipline. It wasn't because of a lack of effort. Our guys played extremely hard."

*On how he thought his guys played...*

"We had a couple of plays in there that didn't go our way. We had one right before the half where we thought we had an interception and them getting the ball on the one-yard line. When you play a team like Auburn at their place, you've got to play real good, you've got to play real sharp and we weren't."

*On what was working in the first half...*

"I thought we were doing a great job at the front. I thought we did an excellent job at stopping their run game. Our guys up front were doing a nice job. We were fitting well. We were playing fast and physical."

*On quarterback Justin McMillan...*

"I think he's just like everybody. We didn't play real good. The quarterback plays great and he sometimes gets a ton of credit, and when he doesn't, he gets a lot of blame. Justin played his heart out. I don't know how great of a job we did of protecting him and getting him open and all those other kind of things."

*On the difference between this game and past games against ranked opponents...*

"I thought our guys came out and competed. And we're getting after it and we were really delivering blows, particularly in the first half. We just needed to get a score in there someplace or a big stop or takeaway. I think we were right in the game, it just didn't happen. We didn't get any breaks, almost throughout the whole ballgame."
