12 & Under - Free/Gratis

Credit Cards Accepted

All proceeds from tournament gate fees are used for facility improvements.

The newest addition to the stadium field are restrooms and plumbing in the dugouts for player, coach and team use during games. Other new additions to the facility in 2023 were outfield bullpens for warm-up, main gate entry way improvements, painted bleachers and stands, and upgraded water tank systems for the outfield restroom building. Over the years, funds have been used to replace items such as the stadium lights with Musco lighting, cables for high speed internet, new outfield fencing, new expanded dugouts and fencing, outfield storage bodega, new batting cage netting, and basic upkeep items for everyday use by the popular local leagues.

GROUND TRANSPORTATION & EXCURSIONS
