Welcome to the Full Court Press Club! Your support of our women's basketball program allows our student-athletes to enjoy a first-class collegiate experience. The success of this program on the court and in the community is not possible without the unconditional love of the Aztecs' most loyal supporters. Your generous donations to the Full Court Press will be used in the following ways:

- Scholarship aid - ensuring that all women's basketball players realize their lifelong dream of a full college scholarship
- Improving the student-athletes' SDSU experience by enhancing facilities and providing team bonding/cultural excursions
- Allow SDSU to remain a top destination for the country's best and brightest prospective student-athletes

We are excited to bring back our customizable benefits package for the third straight season. Based on your donation level, you'll be able to choose from a variety of items and experiences -- to make sure you're getting what YOU want! Excited to partner with the Padres to offer a private event in September so we hope you'll choose to join us for that! We appreciate your unconditional support of our programs and our student-athletes. As always, we will strive to ensure that SDSU is synonymous with progress, innovation and creativity. Go Aztecs!
