2022 NCAA DIVISION I WOMEN'S GOLF REGIONAL SELECTIONS ANNOUNCED

INDIANAPOLIS --- The NCAA Division I Women's Golf Committee has announced the teams and individuals selected to participate in the regional rounds of the 2022 NCAA Division I Women's Golf Championships.

Six regional tournaments will be conducted May 9-11 to determine the championship finals field. Regional tournaments are considered preliminary rounds of NCAA championships competition and all national championship policies apply.

A total of 72 teams and 36 individual participants have been selected for regional competition. Of the 396 players participating in the regionals, 132 will advance to the championship finals, with the top four teams and top two individuals (not on an advancing team) advancing from each regional.

The national championships will be May 20-25 at Grayhawk Golf Club in Scottsdale, Arizona hosted by Arizona State and The Thunderbirds. The final three days of the championships will be televised live by the GOLF Channel.

The regional sites and the selected teams and individuals are listed below.
