- Those seven goals scored against Idaho were the most the Aztecs had scored in a match since the 2008 season when the Aztecs beat the Air Force Academy 7-0.
- The Aztecs have a total of nine assists through two matches this season, and eight different players have assisted on those goals.
- Denise Castro has two assists, while Emma Gaines Ramos, Lauren Dicus, Rachelle Elve, Olivia Sekimoto, Grace Goins, Hope Parades and Kiera Utush have one.

### Team Notes

- **Castro** earned Mountain West Offensive Player of the Week for her performance in the Aztecs opening two matches. She totaled seven points over the two matches , scored three goals and dished out an assist. The award was the first Offensive Player of the Week award of Castro's career.
- Entering the second week of the season, the Aztecs are the only Mountain West team to win both of their matches, going 2-0. Utah State and Boise State also have not lost, but each have at least one tie on their record.
- Head Coach **Mike Friesen** enters his 16th campaign leading the Mountain West's most dominant women's soccer program. Friesen has guided his squad to ten Mountain West championships (five tournament and five regular season), and five NCAA Tournament appearances, both the most among any current league head coach. Now in his 16th season of conference play, Friesen has an 93-31-15 record. His 93 league victories are the most by any head coach in Mountain West history (the inaugural season of the MW was in 1999).
- Friesen's 165 victories (167-105-35) since the start of the 2007 season, the year he took control of the program, are the most by any current coach in the Mountain West and rank second in league history (Jennifer Rockwood, BYU, 190 victories). Colorado College's Geoff Bennett's 150 victories in the last 15 seasons ranks second among current MW head coaches.
- The Aztecs are opening the season on the road for the second time in nine seasons and for the first time since 2017 when they opened the season at UCLA. In season openers on the road the Aztecs are 6-7. Now in its 34th campaign, SDSU has a 19-14-1 record overall in season openers.
- San Diego State is picked to finish in second place in the MW coaches' preseason poll. This marks the 12th time in 13 seasons the Aztecs have been picked to finish in either first or second place. The only time SDSU was lower than second place in the preseason poll in the last 13 years was in 2019, a year in which the Aztecs were predicted to finish fourth. That team went 10-9-1, shared the Mountain West regular-season title at 8-2-0, and reached the championship game of the league tournament.
- Having won five of the last nine regular-season titles, not including the 2020 season in which the league was divided into two divisions and the Aztecs earned the West Division title, SDSU finds itself not the favorite in the eyes of the conference's head coaches for just the third time in the last nine years.
- The Aztecs have won nine of the last 19 MW trophies (regular season and tournament), all of which have come under the direction of head coach Mike Friesen. In total, the 16th-year head coach has guided San Diego State to 11 conference titles.
- San Diego State has earned 11 Mountain West titles since the conference's inception in 1999. SDSU was the regular season champions in 1999, 2012, 2013, 2014, 2015 and 2019. The program was the tournament champion in 2009, 2012, 2013, 2014 and 2017, and its five tournament titles are the most among any current member of the Mountain West and the second best in the league's history (BYU, 7).
- San Diego State has been predicted to finish either first or second in the preseason poll in 12 of the last 13 years and enters this season as the most decorated program in the Mountain West with six regular-season and five tournament titles, as well as six NCAA appearances.
