BIG TEN. BIG NEWS.

- With just four weekends remaining in the regular season, 10 Big Ten teams will take the field this week. The action opens on Saturday at noon ET and features five conference games and a trio of divisional matchups.
- Ohio State and Penn State sit atop the East Division standings with matching 5-0 Big Ten records, while Indiana and Michigan are tied for third at 4-2 in conference play. Minnesota leads the West Division with a 5-0 Big Ten record, followed by Iowa and Wisconsin in second at 3-2.
- Three of the nation's seven remaining undefeated FBS teams call the Big Ten home, as Minnesota, Ohio State and Penn State are all 8-0. The Buckeyes have won 14 straight games dating back to last season, the second-longest streak among FBS teams, while the Nittany Lions are 8-0 for the first time since 2008. The Gophers are 8-0 for the first time since 1941 and 5-0 in Big Ten play for the first time since 1961.
- Minnesota has won 11 of its last 12 games, including 10 in a row, the school's longest winning streak since an 18-game run from 1939-42. It is also tied for the third-longest active win streak among FBS programs, trailing only Clemson and Ohio State. The Gophers have outscored their last four opponents 168-41, marking the first time they have won four consecutive Big Ten games by at least 20 points since 1935-36.
- Penn State travels to Minneapolis this weekend to take on the Gophers for the first time since 2016 and the first matchup in Minneapolis since 2013. The contest marks the second Big Ten matchup featuring teams that are 8-0 or better in the last 45 years. The Nittany Lions have outscored opponents 280-70 this year and rank No. 6 nationally in scoring margin (+22.7), while Minnesota checks in at No. 9 (+20.0).
- Ohio State currently ranks among the top three nationally in both scoring offense and scoring defense. The Buckeyes are No. 2 in scoring defense and No. 3 in scoring offense, scoring 48.3 points per game and allowing 7.9. The Buckeyes have won all eight of their games by at least 24 points this season to become the first Big Ten team since Ohio State in 1973 to start a season with eight straight 20-point wins.
- Indiana defeated Northwestern 34-3 on Saturday, giving the Hoosiers four straight conference wins for the first time since 1993, which was also the last time Indiana started a season 7-2. The team is tied for the fourth-best record through nine games in school history. The Hoosiers scored 30 points for the eighth time in nine games, a program record, and for the sixth time in as many games, its longest streak since the final four games of 2015 and the first two games of 2016. This marks the first time in program history that Indiana has scored 30 or more points in five straight Big Ten games.
- Michigan followed up its dominant performance over Notre Dame by defeating divisional foe Maryland, 38-7. The Wolverines returned the opening kickoff for a touchdown for the first time since 2015. Michigan's defense did not allow an offensive touchdown and held the Terrapins to 233 total yards. The Wolverine defense, which ranks No. 8 in total defense, also added 4.0 sacks and 8.0 tackles for loss.
- Ohio State's Jordan Fuller is among 12 finalists for the Campbell Trophy, presented annually by the National Football Foundation to college football's top scholar-athlete. Six students from current Big Ten schools have earned the Campbell Trophy, with Penn State's John Urschel the most recent conference recipient in 2013.
- Seven Big Ten schools – Indiana, Iowa, Michigan, Minnesota, Ohio State, Penn State and Wisconsin – have clinched bowl berths by reaching six victories on the season. The Big Ten will continue to feature the largest bowl lineup in conference history, and the full list of Big Ten postseason destinations can be found on page three.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2019 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 65 universities in the nation according to the 2017 Academic Ranking of World Universities, including five in the top 25.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 37 honorees during the 2018-19 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 24 of the last 25 years including an average of seven per year over the last 13 years.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

BIG TEN FOOTBALL DIVISIONAL TIEBREAKER

The Big Ten football championship will be decided by a game played between the two division champions. A team or teams that are not eligible to participate in a postseason football bowl game as a result of NCAA and/or Big Ten sanctions shall not be eligible to participate in the Big Ten Football Championship Game. The winner of the Big Ten Football Championship Game will represent the conference in one of the bowls that comprise the College Football Playoff - the Cotton, Fiesta, Orange, Peach, Rose or Sugar Bowl. If the Big Ten Champion is ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll, the team will play in a semifinal game. Otherwise, the Big Ten Champion will play in the Rose Bowl Game (when not hosting a semifinal) or the Cotton, Fiesta or Peach Bowl.

The following procedure will determine the representative from each division in the event of a tie:

- (a) If two teams are tied, the winner of the game between the two tied teams shall be the representative.
- (b) If three or more teams are tied, steps 1 through 8 will be followed until a determination is made. If only two teams remain tied after any step (or sub-step), the winner of the game between the two tied teams shall be the representative. If three or more teams remain tied after any step, move to next step in tiebreaker with remaining tied teams.
 1. The records of the three (or more) tied teams will be compared based on winning percentage in games between the tied teams.
 - (a) Example: East 1 is 2-0 in games between the tied teams with wins over East 2 and 3 - East 1 would be the representative.
 2. The records of the three (or more) tied teams will be compared within their division.
 3. The records of the three teams (or more) will be compared against the next highest placed teams in their division in order of finish (4, 5, 6, and 7).
 - (a) When arriving at a group of tied teams while comparing records, use each team's record against the collective tied teams as a group, rather than record against the individual teams.
 4. The records of the three (or more) teams will be compared against all common conference opponents.
 5. The records of the three (or more) teams will be compared based on the best cumulative conference winning percentage of non-divisional opponents.
 - (a) Example: East 1 non-divisional opponents are 20-7, East 2 non-divisional opponents are 19-8, East 3 non-divisional opponents are 14-13 - East 1 would be the representative.
 6. The records of the three (or more) teams will be compared against the highest placed non-divisional teams in their division order of finish (1, 2, 3, 4, 5, 6 and 7).
 - (a) When arriving at a group of tied teams while comparing records, use each team's record against the collective tied teams as a group, rather than record against the individual teams.
 - (b) When comparing records against a single team or a group of teams, the record will prevail, even if the number of games played against the team or group are unequal (i.e. 1-0 is better than 0-0, 2-0 is better than 1-0, etc.)

7. The team with the best overall winning percentage [excluding exempted games] shall be the representative.
8. The representative will be chosen by random draw.

If one or both of the Big Ten division champions is ineligible to play in the Big Ten Championship Game, then the participant(s) in the Big Ten Championship Game shall be determined by the following procedure:

- a) If the ineligible team is tied for the division championship, then the team it tied with shall be the Big Ten Championship Game representative.
- b) If two or more teams are tied with an ineligible team for the division championship, then the ineligible team is removed and the remaining teams revert to the tie-break procedure.
- c) The division runner-up shall be the Big Ten Championship Game representative.
- d) If there is a division runner-up tie, then the tied teams shall revert to the tie-break procedure.

If the championship game cannot be played (due to any reason beyond the control of the Big Ten Conference), the two division champions (using divisional tie-breakers as set forth above) shall be declared co-champions and the following procedure will be used to determine the Big Ten Conference representative to the College Football Playoff:

- a) Teams ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll will automatically be placed in the College Football Playoff.
- b) If the two divisional representatives met previously in the season and neither is ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll, the team ranked highest in the final poll shall be the representative to the College Football Playoff, unless the other team is ranked within five or fewer places of the higher ranked team. In this case, the head-to-head results of the two teams shall determine the conference's representative.
- c) If the two divisional representatives did not meet previously during the season, the team ranked highest in the College Football Playoff poll shall be the representative.
- d) If the two teams are tied in the College Football Playoff poll, the team with the best overall Big Ten record shall be the representative.
- e) If the two teams remain tied after d), the team with the best combined record of the tied teams against all common Big Ten opponents each team played that season shall be the representative.
- f) If the two teams remain tied after e), the representative will be the team with the best overall winning percentage.
- g) If the two teams remain tied after f), the representative will be the team furthest removed from College Football Playoff, Bowl Championships Series or Rose Bowl Game participation (as appropriate).
- h) If the two teams remain tied after g), the representative shall be determined by a random draw.
