BIG TEN. BIG NEWS.

- Northwestern leads the West Division with a 5-1 Big Ten record, followed by Iowa at 4-2 and Wisconsin at 2-1. Ohio State stands atop the East Division standings with a 4-0 record, with Indiana close behind at 5-1 and Maryland in third at 2-2 in conference play.
- The Buckeyes remained undefeated on the season with a victory over nationally ranked and previously undefeated Indiana on Nov. 21, extending their home win streak to 23 games and their conference home win streak to 21 games, the second-longest in Big Ten history.
- In the win, Ohio State reached the 40-point mark for the 27th time (in 46 games) since Ryan Day's arrival with the program in 2017 (58.6 percent). The Buckeyes have scored 40 or more in three of four games this year and are averaging 45.2 points per game. Only two other teams – Clemson and Oklahoma – have reached 40 or more points in a higher percentage of their games during that time span.
- Ohio State continues to boast one of the best offenses in the country, ranking second in relative total offense and fifth in relative scoring offense. Quarterback Justin Fields is on pace to set single-season FBS and Big Ten records for completion percentage (79.6 percent). The Buckeyes continue to lead the Big Ten with 535.3 yards of offense per game and are the only team in the conference to average more than 300 yards passing and 200 yards rushing per game.
- Indiana's Stevie Scott III scored a career-high three touchdowns to lead Indiana to a 5-1 record in conference play for the first time since 1987 following a 27-11 win against Maryland. The Hoosiers have clinched a second consecutive season with a winning record in Big Ten play, something the program has not accomplished since 1987-88. Scott became the first Hoosier with three rushing touchdowns in a game since Jordan Howard in 2015, has scored at least one touchdown in 16 of his last 22 games and has 26 total touchdowns in that span.
- Indiana leads the nation with 16 interceptions this season, recording multiple interceptions in eight consecutive contests. The Hoosiers have 18 total takeaways on the season.
- After dropping its first two games by a combined five points, Iowa has won its last four games, outscoring its opponents 151-55 and averaging 37.8 points per game during the winning streak. The Hawkeyes' points per game during their four-game winning streak is the most for the program over a four-game stretch since 2002.
- The Hawkeyes have held their last 20 opponents under 25 points, a streak that includes all six games this season, all 13 games last season and the final game of the 2018 campaign.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

• In the win over Michigan, Sean Clifford became the 12th Penn State quarterback to reach the 4,000-yard career passing mark and moved into fifth place in school history in rushing yards by a quarterback with 654. The 2020 team captain also ranks third in career passing efficiency rating (144.2) and career completion percentage (58.9 percent).

• Penn State's Parker Washington is one of two FBS freshmen this season with at least 30 receptions, 340 receiving yards and three receiving touchdowns in their first six games. Washington is the only Penn State freshman with those totals through six games since 2000. Against Michigan, Washington made a career-high nine catches, the most by a PSU true freshman in program history.

• On Oct. 23, the Big Ten Conference announced the launch of the 'United As One' social justice campaign. 'United As One' is among several conference-wide Equality Coalition initiatives dedicated to constructively and collectively recognizing and eliminating racism and hate in our society by creating resources for inclusion, empowerment and accountability.

• The Big Ten Conference established the Equality Coalition in 2020 with 227 members including presidents and chancellors, directors of athletics, coaches, student-athletes, conference and school administrators, alumni, families and friends representing all 14 institutions.

BIG LIFE. BIG STAGE. BIG TEN.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2020 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2019 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 27 honorees during the 2019-20 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 23 of the last 26 years, averaging nearly seven per year over that span.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
