BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

• Michigan and Ohio State are the only two FBS teams in the country with top-10 rankings in both scoring offense and scoring defense. The Wolverines rank second defensively (11.7 points per game) and ninth offensively (39.4 points per game), while the Buckeyes rank second offensively (46.5 points per game) and 10th defensively (16.9 points per game).

• Four additional Big Ten teams rank in the top 25 in terms of scoring defense: Illinois (3rd, 13.1 points per game), Minnesota (3rd, 13.1 points per game), Iowa (5th, 13.5 points per game) and Penn State (14th, 18.2 points per game).

• Illini running back Chase Brown leads the nation with 1,582 rushing yards this season, with 903 of those yards coming after contact. He also leads the nation in all-purpose yards (1,779) without having return duties. Against a defensive unit leading the nation in rushing defense (72.7 yards per game), Brown ran for 140 yards and two touchdowns at No. 3 Michigan. He was just the third running back to rush for over 140 yards at Michigan Stadium during Jim Harbaugh's tenure (2015-), joining Ohio State stars J.K. Dobbins (2019) and Ezekiel Elliott (2015).

• Nine Big Ten schools – Illinois, Iowa, Maryland, Michigan, Minnesota, Ohio State, Penn State, Purdue and Wisconsin – have clinched bowl berths by reaching six victories on the season. The Big Ten will continue to feature the largest bowl lineup in conference history, and the full list of Big Ten postseason destinations can be found on page five.

• Iowa's Jack Campbell was named a finalist for the 2022 William V. Campbell Trophy on Oct. 26. Now in its 33rd year, the Campbell Trophy is presented annually to the nation's top football scholar-athlete. The full list of Big Ten postseason awards candidates can be found on page three.

• This season's Playoff Semifinals will take place Saturday, December 31, 2022, at the Vrbo Fiesta Bowl and Chick-fil-A Peach Bowl. The Los Angeles region will host the College Football Playoff National Championship on Monday, January 9, 2023, at SoFi Stadium. The College Football Playoff matches the No. 1 ranked team vs. No. 4, and No. 2 vs. No. 3 in semifinal games that rotate annually among six bowl games – the Goodyear Cotton Bowl, Vrbo Fiesta Bowl, Chick-fil-A Peach Bowl, Capital One Orange Bowl, Allstate Sugar Bowl and Rose Bowl Game.

NATIONAL CHAMPIONSHIPS

Since 1869, there have been more than 30 selectors of national champions using polls, historical research and mathematical rating systems. Beginning in 1936, the Associated Press (AP) began the best-known and most widely circulated poll of sportswriters and broadcasters. Prior to 1936, national champions were determined by historical research and retroactive ratings and polls. In addition, the national champion was selected before bowl games as follows – AP (1936-64 and 1966-67), United Press International (UPI; 1950-73), Football Writers Association of America (FWAA; 1954) and the National Football Foundation (NFF; 1959-70). In all other latter-day polls, national champions were selected after bowl games. From 1998-2013, national champions were selected by the Bowl Championship Series (BCS), AP, FWAA, NFF and the *USA Today* coaches poll (previously managed by UPI from 1950-91, *USA Today*/CNN from 1992-96 and *USA Today*/ESPN from 1997-2004). Beginning in 2014, national champions were selected by the College Football Playoff, AP, FWAA, NFF and the Amway coaches poll.

Current Big Ten teams have been named national champions 51 times, with Ohio State the most recent Big Ten national champion, winning the inaugural College Football Playoff National Championship Game following the 2014 season.

BIG LIFE. BIG STAGE. BIG TEN.

Big Ten schools have won at least five national championships in 24 of the last 28 years, averaging nearly seven per year during that span.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2022 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 48 honorees during the 2021-22 academic year.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2022 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 48 honorees during the 2021-22 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 24 of the last 28 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 109 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history. Big Ten Olympians collected nearly 80 medals in the most recent games in PyeongChang and Beijing.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
