QUICK HITS

Penn State softball kicks off its first national postseason appearance since 2011 on Friday, May 17, as the Nittany Lions get set for a 4 p.m. (ET) matchup with the Texas State Bobcats in the Bryan-College Station Regional of the 2024 NCAA Division I Softball Championship. Penn State heads to Bryan-College Station in regional action for the second time in program history, joining the ninth-ranked and 16th-seeded Texas A&M Aggies, the Texas State Bobcats and UAlbany Great Danes. PSU's opening matchup against the Bobcats marks the fourth meeting of the two programs this season. Texas State took the first three contests by narrow margins in San Marcos, with the Nittany Lions notably missing the services of B1G Freshman of the Year and Tucci/NFCA National Freshman of the Year finalist Bridget Nemeth for all three games. In addition to Nemeth, Penn State is led by a trio of Second-Team All-Big Ten selections in senior infielder Kaitlyn Morrison, junior utility Maddie Gordon and senior catcher Gaby Garcia. Morrison is one double shy of the single-season program record in the category, while Garcia and Gordon both boast the eighth-most home runs in a single season in program history with 11 apiece.

MAY I HAVE THIS DANCE?

- Following the NCAA Division I Softball Committee's announcement of the national field of 64 on Sunday, May 12, the Penn State softball program garnered its 11th national postseason bid and first in 13 years.
- PSU last secured a trip to the NCAA Tournament in 2011, when the Blue & White were afforded the opportunity to host the University Park Regional at Nittany Lion Softball Park in the venue's inaugural season due to stadium renovations at 13th-seeded Oregon's on-campus facility.
- The Nittany Lions boast 12 NCAA Tournament victories all-time, highlighted by their first win over Texas A&M in the Tempe Regional during the 2000 tournament. PSU's last national postseason victory came on May 21, 2011, a timeframe of 4,746 days. Penn State took down the Fordham Rams in a 5-2 contest that went 16 innings in Happy Valley.
- PSU booked its first national postseason bid under the direction of fourth-year head coach Clarisa Crowell, who prepares for her second career NCAA Regional appearance and first as an at-large selection, with her first tournament bid coming during her stint at Miami (Ohio) in 2016.

MEET THE FIELD

- Penn State was one of 64 teams selected, as well as one of 32 at-large bids to the NCAA Tournament, notching the ninth at-large bid in school history. Elsewhere in the bracket, Texas picked up the national No. 1 seed while three-time defending national champion Oklahoma garnered the No. 2 placement. Tennessee, Florida, Oklahoma State, UCLA, Missouri and Stanford rounded out the national top eight seeds with the potential to start a Super Regional should they advance.
- The 2024 Nittany Lions squared off against 10 different NCAA regional teams, including Michigan, Liberty, Morgan State, Saint Francis, Texas State, Texas, Arkansas, Baylor, FAU and Indiana. PSU picked up a 9-9 overall record against NCAA Tournament teams, highlighted by a win over Fayetteville Regional host Arkansas in the opening week of the 2024 campaign.

BIG THINGS COMING

- The Big Ten Conference placed four programs in the national field of 64, the fifth most among all 32 NCAA Division I conferences. The 2024 B1G Tournament Champion Michigan Wolverines garnered the No. 3 seed in the Stillwater Regional, while the regular season B1G champion Northwestern Wildcats landed the No. 2 seed in the Austin Regional. Rounding out the four Big Ten programs were the B1G Tournament finalist Indiana Hoosiers, who picked up the No. 3 seed in the Columbia Regional.
- The B1G joined six additional leagues with multiple bids, including the Southeastern (13), Pac 12 (seven), ACC (five), Big 12 (five), Sun Belt (three) and American Athletic (two). The B1G earned four postseason bids for the second year in a row, with Northwestern earning a trip to Super Regionals in 2023.

HOW WE GOT HERE

- Highlighted by one of the most dominant freshman seasons in Penn State history, in addition to several crucial non-conference results, the Nittany Lions secured a spot in the NCAA Tournament as one of the "Last Four In" according to NCAA Division I Softball Committee Chair and UT Martin Vice Chancellor & Director of Athletics Kurt McGuffin.
- Freshman pitcher Bridget Nemeth's elevation to national stardom has mirrored Penn State's ascent into the spotlight, with the rookie tying the PSU single-season wins record in the circle while garnering national recognition as a Top 10 Finalist for the Tucci/NFCA Division I National Freshman of the Year Award.
- In addition to Penn State's star freshman and key contributors at the plate, the Nittany Lions boast eight top-50 wins in the RPI, highlighted by non-conference results over No. 14 Arkansas and No. 41 FAU.
- Additionally, PSU booked a series sweep of No. 43 Indiana in B1G play.

TALKING TEXAS STATE

- Under the direction of head coach Ricci Woodard, Texas State prepares for its 12th NCAA Regional appearance in program history looking to build off a third-place result in the Austin Regional a season ago that featured two losses to Texas A&M.
- Texas State picked up the automatic bid from the Sun Belt Conference after an impressive 3-0 run through the conference tournament that culminated in a 9-5 victory over top-seeded and 2024 NCAA Regional host Louisiana in the championship game.
- Texas State enters the postseason unbeaten in their last eight games.
- The Bobcats boast one of the nation's top pitchers in Jessica Mullins, who has a 30-7 overall record with a 1.31 ERA this year. Sara Vanderford leads the way at the dish with 11 homers and 48 RBI.

STORY OF THE SERIES: TEXAS STATE

- Penn State and Texas State get set for the sixth all-time meeting of the two programs, in addition to the fourth meeting overall this season on Friday afternoon. The Nittany Lions entered the 2024 campaign with a 2-0 lead in the series, but the Bobcats surged back to take all three meetings this year on their home field.
- PSU first met the Bobcats on March 4, 1989, taking a narrow 1-0 victory home in neutral site action from Las Vegas. PSU and Texas State gear up for their second all-time meeting in Aggieland this weekend, with the Blue & White taking a 7-1 result in Bryan-College Station in 1991.
- Playing its seventh, eighth and ninth games in six days without freshman ace Bridget Nemeth, Penn State dropped all three contests against Texas State in the regular season series between the two programs in San Marcos. PSU forced extra innings in the second game, dropping a 2-1 heartbreaker in eight innings of play.

TESTING TEXAS A&M

- Led by second-year head coach Trisha Ford, the Texas A&M softball team continues its stretch of historic postseason appearances with their 34th tournament bid overall. The Aggies maintain a 91-73 overall record at the event all-time.
- Texas A&M picked up one of the Southeastern Conference's 12 at-large selections to the NCAA Tournament following a 40-13 season overall paired with a 15-9 record in SEC play. The Aggies have struggled as of late, going 1-4 in their last five games with their win coming in an SEC Tournament meeting against South Carolina bookended by four consecutive losses to No. 4 national seed Florida.
- Junior pitching staff ace Emiley Kennedy is the headline performer for the Aggies, boasting a 1.68 season ERA with 21 wins. Senior infielder Trinity Cannon leads at the plate with 15 homers and 52 RBI.

STORY OF THE SERIES: TEXAS A&M

- In an all-time series dating to the 1991 campaign, Texas A&M and Penn State prepare for their 19th all-time meeting should the two teams have an opportunity to square off this weekend. The Aggies maintain a 13-4-1 lead over the Blue & White.
- Penn State could potentially square off against A&M in Bryan-College Station for the 17th time ever, with PSU picking up three of their four all-time victories against the Aggies in the Brazos Valley. The Nittany Lions could face off against Texas A&M at Davis Diamond for the first time, with the prior 17 meetings coming at the Aggie Softball Complex.
- PSU has played Texas A&M three times in the NCAA Tournament, with Penn State picking up its first national postseason win over A&M in 2000 in the Tempe Regional. Penn State last faced Texas A&M in the postseason in 2005, dropping a pair of NCAA tests.

UNDERSTANDING UALBANY

- Veteran head coach Chris Cannata leads the UAlbany Great Danes into their eighth NCAA Tournament appearance all-time and first national postseason bid since 2018, earning the automatic bid as the champion of the America East Conference Tournament.
- The Great Danes boast a 33-12 overall record and pair that with a 14-6 mark against AEC opponents over the course of the regular season. UAlbany battled its way through the AEC Tournament unbeaten, besting the UMass Lowell River Hawks in a pair of meetings in addition to a win over PSU's common opponent Binghamton.
- UAlbany's offense is headlined by a pair of graduate students in Morgan Petty and Maddi Petrella, who stand atop the team with nine homers in 2024. In the circle, Wendi Hammond leads the way with a 1.91 earned run average coupled with an impressive 24-8 record.

STORY OF THE SERIES: UALBANY

- The Nittany Lions and Great Danes could potentially meet for the second time in each program's respective history this weekend in Bryan-College Station, with the Blue & White picking up a victory in the only prior contest.
- Penn State last faced UAlbany in the 2011 NCAA University Park Regional hosted by Penn State at Nittany Lion Softball Park and Beard Field. PSU turned in a 6-1 final score to eliminate the Great Danes in 2011, with UAlbany forced to face the host Nittany Lions after dropping their regional opener to 13th-seeded Oregon.
- The Blue & White were victorious against their only other challenger out of the America East Conference in 2024, with Penn State recording a season-high 15 runs in a 15-5, five-inning win over the AEC's second-seeded Binghamton Bearcats in Happy Valley. UAlbany put up a 3-1 record against the Bearcats this year.

LINEUP INDICATES PENN STATE'S STARTERS VS. MARYLAND (BIG TOURNAMENT FIRST ROUND, IOWA CITY, IOWA, 5/8/24)

ON THE RECORD

- Penn State's series-opening win over Rutgers on May 3 saw the Blue & White secure their 34th overall victory this season, culminating in a 34-17 overall regular season record with a 12-11 finish in B1G play. PSU's 34 wins are the fourth-most in a single season in program history, in addition to being the most wins in Happy Valley since the 2008 team published a 34-22 overall record.
- Penn State needs just five more victories to meet the all-time program record for wins in a single season set by the 2006 squad.
- The 2024 Nittany Lions have also matched a program record for B1G wins in a three-season span, picking up 36 league victories since the start of the 2022 league year. Penn State's 36 wins match the three-year program record set from 1999 to 2001.

THE B1G SHOW

- Entering the 2024 NCAA Division I Softball Tournament, Penn State ranks prominently in the B1G in multiple statistical categories. PSU stands second in the league in doubles (89), doubles per game (1.71) and strikeout-to-walk ratio (2.12). The Nittany Lions also rank inside the top five in the conference in fewest hit batters (fourth, 26), stolen bases per game (fifth, 0.92), total stolen bases (fifth, 48), triples per game (third, 0.33) and overall winning percentage (fourth, 0.654).
- Individually, Bridget Nemeth ranks first in the Big Ten in three different pitching statistics, including innings pitched with 192.0, strikeout-to-walk ratio with a 4.54 tally and overall victories with 22 while placing second in the league with a 1.71 ERA. Kaitlyn Morrison ranks second in the B1G in doubles (17) and doubles per game (0.34) while Emily Maddock ranks as the second-toughest player to strike out in the Big Ten, doing so once in an average of 27.5 at-bats.

EXTRA-BASE EXCELLENCE

- Penn State has established itself as one of the most dominant extra-base hitting teams across the Big Ten Conference and Division I, launching the fifth-most doubles per game (1.71) in the nation and 10th most total doubles (89) in major college softball this year. PSU also has a penchant for legging-out triples, launching the 15th-most triples per game (0.33) in the nation.
- The Nittany Lions have shattered the program record for doubles in a single season, with the 2024 team's 89 surpassing the previous record of 77 from 2005. PSU is one home run away from matching the program record of 49 while ranking third in program history in total triples behind the 1985 and 1988 teams.

GORDON'S GREATNESS

- Following a release from the B1G league office on May 8, junior utility Maddie Gordon became the 29th All-Big Ten Second Team selection in Penn State softball history, one of three Nittany Lions named to the league's Second Team. Gordon picked up All-Conference accolades in large part due to leading PSU in at-bats (168), runs scored (44), hits (56), home runs (11), total bases (106) and stolen bases (13).
- Gordon ranks fourth in the Big Ten Conference in doubles (15) and fifth in doubles per game (0.29), ranking inside the top 100 nationally in both categories. Gordon currently boasts the fourth-most doubles in a single season in Penn State program history and became the 13th Nittany Lion to hit 10-or-more homers in a campaign earlier this year, logging 11 overall in the 2024 campaign.

MAD DAWG MADDOCK

- Returning First Team All-Big Ten third baseman Emily Maddock continues her dominance at the plate in 2024, ranking as one of the toughest players to strike out across Division I. Her 27.5 at-bats between strikeouts rank as the second-best mark in the conference and 27th-best mark nationally, with Maddock trailing Iowa's Jena Young at 28.4 for the B1G lead.
- Maddock, a native of Kempton, Pennsylvania, recorded the walk-off single in the bottom of the eighth inning to lead Penn State to its first nationally ranked victory since 2022 in a 3-2 result over the then-No. 16 Arkansas Razorbacks during the Paradise Classic on the opening weekend of the 2024 campaign.

KNOW THE NEMETH

- In a release on Thursday, May 9, freshman pitcher Bridget Nemeth garnered national acclaim as a Top 10 Finalist for the 2024 Tucci/NFCA Division I National Freshman of the Year Award.
- With her distinction as the Big Ten's Freshman of the Year as announced on May 8, Nemeth became the first student-athlete in Penn State history to earn an individual award from the conference office since PSU joined the B1G in the 1991-92 academic year. Nemeth also became the first student-athlete to win a conference individual award since Nan Sichler was named the Atlantic 10 Conference Most Valuable Player and Most Valuable Pitcher in 1988.
- Nemeth became PSU's 17th selection to the All-Big Ten First Team in program history, earning that acclaim by unanimous vote of the league's coaches, and became the third Nittany Lion to achieve those honors in the last three seasons. PSU earned First Team All-Big Ten recognition in three consecutive seasons for the first time in program history following Nemeth's appointment to the team.
- With PSU's win against Rutgers on Friday, May 3, Nemeth matched the program record for wins in a single season with her 22nd overall victory, improving to 22-6 in her rookie campaign. The Glendora, California, native is tied with program legends Bailey Parshall and Kelly McCann who reached 22 wins in 2022 and 2001, respectively. Nemeth is also tied for 10th all-time at PSU for appearances in a single season with 36, as well as 11th all-time in strikeouts with 180 punchouts this year.

KAITLYN'S CORNER

- Senior Kaitlyn Morrison landed her first career All-Big Ten distinction in the league office's release on May 8, becoming the 30th Second Team All-Big Ten choice in PSU program history.
- Morrison, a native of South Park, Pennsylvania, ranks second in the Big Ten in doubles (17) and 28th nationally, needing one double to match and two to surpass the single-season Penn State record of 18.
- She leads the Penn State roster in triples with six this season, booking her most recent three-bagger on April 23 against SFU. Morrison's six triples rank as the third-most in the B1G and 13th-most nationally, while her 0.12 triples per game rank third in the B1G and 18th in Division I.
- Morrison has been an absolute menace for opposing pitchers, with the veteran offensive star already surpassing her single-season career highs in walks and hit by pitches, drawing 19 and six, respectively. Her .429 on-base percentage ranks second on the PSU roster among qualified starters.

GABY GAR(SEE-YA)

- Senior Stephen F. Austin transfer catcher Gaby Garcia has been a power hitting and defensive weapon for the Nittany Lions over the course of her final collegiate season, tied for the team lead in home runs with 11 while pacing the team in RBI (41), putouts (303) and fielding percentage (1.000). The Southlake, Texas, native became the 31st selection to the All-Big Ten Second Team in Penn State program history following the league's release on May 8.
- After leaving the yard against Rutgers in Penn State's final B1G weekend series, Garcia moved into a tie for the eighth-most home runs in a single season in school history with 11. Garcia and teammate Maddie Gordon both rank 13th in the B1G in total homers this year.

BACK IN BLUE

- Senior infielder Emily Maddock returns to PSU for her final season after becoming the first Nittany Lion position player to land First Team All-B1G accolades since 2017. Maddock was an NFCA First Team All-Region choice as well, booking the second-best single-season batting average in Penn State history with a .439 mark.
- Graduate infielder Kaitlyn Morrison returns to the field after her most productive collegiate season in 2023, shattering career highs in practically every statistical category. Morrison booked a .338 average with 145 at-bats, 49 hits, 14 doubles and seven homers.
- Senior outfielder Liana Jones continues her career in the Blue & White in 2024 after a 2023 season which saw her crank six homers and a career-best 16 RBI. Junior outfielder Maddie Gordon rounds out the four PSU starters returning from last season. The Shenandoah, Virginia, native hit the only Nittany Lion grand slam in 2023 in the series finale against Rutgers, powering an 8-3 win in the process.

POWER TO THE PORTAL

- PSU welcomed a trio of transfers last summer, including Pitt transfer outfielder Haylie Brunson, SFA transfer catcher Gaby Garcia and Coastal Carolina transfer pitcher Mady Volpe.
- Brunson spent two years with the Panthers, clocking a .294 average last season with a .871 OPS, establishing herself as the team's starting right fielder.
- Garcia, a native of Southlake, Texas, hit .315 last year while ranking second in the WAC and 14th nationally with 18 home runs. Garcia's reputation as an All-Conference performer is built on 37 career home runs and 34 doubles while booking a .992 fielding percentage.
- Volpe arrives in Happy Valley after a two-year career at Coastal Carolina. The Lansdale, Pennsylvania, native booked a 2.66 ERA last year with an impressive 9-1 individual record.

FRESH FACES

- PSU boasts six true freshmen on the 2024 roster, including pitcher Bridget Nemeth, infielder Brooke Klosowicz, outfielder Michela Barbanente, infielder Jiselle Hernandez, infielder Gianna Poletti and catcher Audree Mendoza. Poletti was originally ineligible to compete for the Nittany Lions due to a mid-season transfer from SEC powerhouse Auburn, but an approved NCAA waiver allowed Poletti to begin competing with PSU during the Liberty Softball Classic earlier this spring.
- Penn State hauled in the nation's 24th-ranked recruiting class in the 2025 signee cycle according to Extra Inning Softball, comprised of right-handed pitcher Abigail Britton, catcher Macy Chamberlin and outfielder Natalie Lieto. The Nittany Lion class ranked third in the Big Ten Conference behind Northwestern (#21) and Michigan State (#23).

UP NEXT

- The winner of the Bryan-College Station Regional will continue its journey through the 2024 NCAA Division I Softball Championship, with a three-game Super Regional matchup set against the winner of the Austin Regional at the campus site of the higher-seeded team. All three potential games of the Super Regional round will air live to a national television audience via the ESPN family of networks, with streaming available to a worldwide audience of authenticated subscribers via ESPN+ and the ESPN app.

Then-Penn State University Vice President for Athletics Sandy Barbour named Clarisa Crowell as the eighth head coach of the Nittany Lion softball program on August 3, 2020. Crowell enters her fourth season at the helm of the Blue & White in the 2024 campaign.

Crowell returns to Happy Valley following her second consecutive 30-win season with the Nittany Lions, the first instance of back-to-back 30-win campaigns at PSU since the 2005 and 2006 teams accomplished that feat. Penn State published a 31-16 overall record at season's end and mustered an 11-11 record in Big Ten Conference play, ensuring that the Nittany Lions would finish at or above .500 in the league in consecutive seasons, also for the first time since 2005-06.

Under Crowell's direction, the Nittany Lions saw continued success on the Big Ten's biggest stage in 2023, winning a conference tournament game in consecutive seasons for the first time since the 2016 and 2017 squads did so. PSU also recorded consecutive postseason appearances for the first time in five seasons, reaching back-to-back Big Ten Tournaments for the first time since the Nittany Lions appeared in five-straight from 2013 to 2017.

As the program's pitching coach, Crowell directed the most effective pitching staff in the Big Ten Conference. The Nittany Lions finished as the conference's leader in overall earned run average, rounding out the year with a 2.18 mark. The Blue & White also recorded the third-best strikeout-to-walk ratio in the league and 15th-best nationally, striking out 3.59 batters for every walk surrendered. Crowell's pitching direction also culminated in multiple program records being shattered by fifth-year left-hander Bailey Parshall, who set PSU records in career strikeouts (783) and shutouts (21).

In the classroom, PSU published a perfect Academic Progress Rate of 1,000 and saw 18 Nittany Lion student-athletes land Academic All-Big Ten honors. Penn State also mustered 12 Easton/NFCA Scholar Athletes, seven Big Ten Distinguished Scholar honors and five College Sports Communicators (CSC) Academic All-District accolades, reflecting Crowell's commitment to comprehensive excellence on and off the field.

In recognition of her exemplary record in the classroom and on the diamond, senior first baseman Lexie Black secured two of the highest honors bestowed by the Big Ten Conference in 2023. Black, a native of Omaha, Nebraska, landed the Big Ten Postgraduate Scholarship in preparation for her continuing education in veterinary medicine at the University of Nebraska. Additionally, Black garnered the Big Ten Medal of Honor, bestowed upon one male and female graduating student-athlete from each B1G member institution.

Penn State finished the 2022 campaign with a 25-win improvement from the previous season, marking the largest single-season turnaround for a team in

NCAA Division I. The Nittany Lions also reached the 30-win mark and finished above .500 in Big Ten Conference play for the first time since 2016. Penn State completed the campaign with 32 wins, which at the time marked the most wins for PSU in a season since 2008. As a result of the program's meteoric rise to prominence, Crowell was honored as the 2022 ECAC Coach of the Year.

On the defensive side, the Blue and White registered 12 shutouts on the year, the most by any Nittany Lion squad since the 2008 team accomplished that feat. At the dish, the Nittany Lions' 75 doubles ranked tied for second in program history, while their 43 home runs and 207 RBI ranked third in program history.

Parshall led the way on an individual basis, earning NFCA All-America Third Team honors to go along with NFCA First-Team All-Region and First-Team All-Big Ten accolades. Parshall was selected as the Female Penn State Athlete of the Year for the 2021-22 academic year as a result. Parshall became just the fifth NFCA All-American in program history and the first Penn State pitcher to earn All-American recognition since Ashley Esparza did so in 2005. Parshall was dominant in the circle in 2022, posting a 22-9 individual record with a 1.68 ERA and nine shutouts in 212.1 innings pitched.

In addition to Parshall's nationally-acclaimed statistical season, junior catcher Cassie Lindmark collected NFCA All-Region Third Team and All-Big Ten Second Team laurels. Lindmark provided and immediate offensive pop for the Nittany Lion lineup, hitting .400 in the leadoff spot in addition to building a striking .508 on-base percentage. She became just the sixth Nittany Lion to hit .400 in a season and ranked tied for sixth on the program's single-season batting average leaderboard.

The Nittany Lions maintained consistent success in the classroom, tying a then-program record by placing 16 student-athletes on the Academic All-Big Ten team for the second consecutive year. Six student-athletes were designated as Big Ten Distinguished Scholars. Fourteen student-athletes made the Dean's list during spring semester and the squad compiled a 3.45 GPA, posting the highest cumulative GPA for the program in at least a decade. Under Crowell's leadership, Claire Swedberg was selected as the 2022 Big Ten Postgraduate Award winner, a recipient of the Fulbright grant and was also selected to be the Grand Marshal for the Penn State Health and Human Development Department.

In her first season at the helm in Happy Valley in 2021, Crowell led the Nittany Lions to a win over No. 23 Minnesota, the program's first victory over a ranked opponent since 2017. Penn State also had wins over four other Big Ten programs in a COVID-maligned conference-only calendar during the 2021 spring semester, including three-straight wins and a series victory over Rutgers. The consecutive victories against the Scarlet Knights marked the first time

Penn State won three consecutive Big Ten contests since 2017.

Crowell also mentored Parshall in her ongoing success in the circle, as the then-junior pitcher recorded two double-digit strikeout games and moved into sixth all-time in the Penn State record books with 396 career strikeouts and third all-time with seven career saves. In the classroom, a program-record 16 student-athletes earned Academic All-Big Ten honors in Crowell's first season of leadership, immediately setting the tone for multiple seasons of academic excellence that followed.

Prior to her arrival at Penn State, Crowell spent eight years as head coach at Miami (Ohio). Crowell and the RedHawks made a MAC Tournament appearance every season in which a tournament was held, winning the league tournament title and making an NCAA Regional appearance in 2016.

Crowell coached 12 student-athletes to first team All-MAC honors, 10 to second-team honors, nine All-MAC Freshman Team recipients and six National Fastpitch Coaches Association (NFCA) All-Region honorees. RedHawk student-athletes also excelled in the classroom with 40 Easton/NFCA Scholar-Athletes and 32 Academic All-MAC honorees during Crowell's tenure in Oxford.

In the COVID-19 shortened 2020 season, Crowell's RedHawks were selected as the MAC preseason favorites. Junior pitcher Courtney Vierstra ranked fifth nationally and first in the conference in strikeouts with 140 over 18 appearances. Crowell's tutelage of Vierstra saw the junior star finish fifth nationally in strikeouts per seven innings with 12.5 at the season's suspension mark.

In the spring of 2019, Crowell led Miami to a 35-16 overall record and a 16-4 ledger in conference play, as the RedHawks captured their first MAC regular-season title in program history. Miami posted 10-straight wins against MAC opponents, the longest win streak in conference play in the history of the RedHawk program. The team also ranked first in the MAC for pitching and team defense with an overall ERA of 2.55 coupled with a .972 fielding percentage. Crowell was named the 2019 MAC Coach of the Year while seven student-athletes earned All-MAC selections and two more were named NFCA All-Region honorees. Vierstra headlined the list of All-Region recipients after boasting the third-best strikeouts-per-seven innings ratio in the country (10.3).

Crowell's 2017 team excelled offensively, ranking second all-time in Miami history for runs scored (265), runs per game (5.00), RBI (235), doubles (74) and home runs (47). Crowell led Michaela Schlattman to NFCA All-Region recognition, marking the third-straight season a RedHawk player garnered regional accolades. The RedHawks went 29-24 in 2017, highlighted by a dominant 16-2 record at home.

HEAD COACH CLARISA CROWELL

In 2016, Crowell led Miami to a 35-23 overall record and 15-7 record in MAC competition, finishing just half a game short of the MAC regular-season title. The RedHawks made up for that with a perfect 4-0 record in the MAC Tournament to earn the program's fourth conference tournament crown and a spot in the NCAA Tournament for the first time since 2012. Miami went on to beat No. 23 Notre Dame, 3-2, in the opening game of the Ann Arbor Regional.

The 2016 RedHawks broke six offensive school records, including runs (302), runs per game (5.21), RBI (274), doubles (83), home runs (56) and walks (200). Miami also held a .977 fielding percentage, a school record, and the seventh-best fielding percentage in the nation. Crowell coached senior outfielder Taylor Shuey to become the first softball player in school history to be named MAC Player of the Year after breaking Miami's career RBI record with 114. Senior pitcher Amber Logemann was also named the MAC Tournament MVP after going 4-0 individually with a domineering 0.65 ERA in 32.1 innings pitched.

Crowell's third season in 2015 saw senior outfielder Tiyona Marshall garner NFCA All-Mideast Region First-Team honors after Marshall set school records in hits (86), runs scored (50) and batting average (.446).

Prior to Miami, Crowell spent six seasons as an assistant coach at Oklahoma State where she primarily worked with the pitchers and catchers. In 2010, both of her pitchers earned spots on the All-Big 12 and NFCA All-Midwest Region teams. In 2011, Crowell coached catcher Courtney Totte to an All-Big 12 first-team appearance and recognition as a Third Team All-American. Crowell helped lead the Cowgirls back to national prominence, as Oklahoma State returned to the Women's College World Series for the first time since 1998 in the 2011 campaign. The coaching staff also hauled in NFCA Midwest Region Coaching Staff of the Year accolades at season's end.

Crowell's previous stop at Syracuse as an assistant coach in 2006 saw the Orange land four players as NFCA All-Region designees and five players secure All-Conference honors. All-American and Big East Player of the Year Alexis Switenko led the way, while Tonye McCorkle, the Big East Co-Rookie of the Year, published a dominant season of her own. Crowell began her collegiate coaching career at Ohio University, where she served as an assistant for two years.

Crowell was a decorated student-athlete at Virginia Tech as a four-year letterwinner and a three-time All-Conference performer for the Hokies. In 2013, Crowell was inducted into the Virginia Tech All-Sports Hall of Fame.

Crowell graduated from Virginia Tech in 2002 with a Bachelor of Science degree in psychology. She earned a Master of Science in recreation and sports sciences from Ohio University in 2005.

NITTANY LION SOFTBALL PARK & BEARD FIELD

A facility years in the making, state-of-the-art and second to none – that is what Nittany Lion Softball Park and Beard Field provides to the Penn State athletic community. With numerous donations and the Penn State Board of Trustees' approval, construction of the \$10.2 million complex was completed in time for the 2011 season. The facility houses the Nittany Lion softball team and allows the program to compete with the best in the country.

The complex features 1,084 permanent seats with fantastic sight lines, accessible seating, concession stands, permanent bathrooms and merchandise areas for fans. On the softball side of things, the field with irrigation, dugouts, batting cages and tunnels, bullpens, scoreboard and a state-of-the-art lighting system make Nittany Lion Softball Park a collegiate softball gem.

The complex consolidates the team's resources into one area with new training rooms, media center, video room, study space, locker rooms and coaches' offices all housed at the softball park. A new press area behind home plate was constructed, which further enhanced the amenities of the stadium.

Key benefactors of the project allowed Nittany Lion Softball Park to take shape and get off the ground. The playing field was named Beard Field in recognition of a generous donation from Lee and William Beard in October 2009. The Penn State locker room was named the Fran Vanden Locker Room, recognizing a gift from George and Frances Vanden. Another major donation came from the James M. and Margaret V. Stine Foundation to name both the Softball Office Complex and Media Center in honor of the Stine Family. Art and Paige Nagle also contributed to the project and one of the assistant coaches' offices dons their names.

Penn State's first game in its new home was March 26, 2011, a thrilling 8-5 victory over Wisconsin. Plenty of firsts were delivered that afternoon and none more memorable than Lisa Akamine's inside-the-park home run as Penn State overcame a three-run deficit to win the inaugural game. For the season, Penn State boasted an 11-8-1 record on Beard Field in its first campaign. It was the first winning season at home since 2007 for the Nittany Lions, which coincided with PSU's last trip to the NCAA Tournament before 2011.

The stadium paid dividends immediately for the Nittany Lion program as Penn State hosted the 2011 NCAA University Park Regional.

The event marked the first time PSU hosted NCAA Softball in 28 years as Oregon, Fordham and Albany competed with Penn State for the right to go to the NCAA Super Regionals. In the three-day event, nearly 1,900 fans streamed through the turnstiles. Oregon would eventually advance, but not before an exciting 16-inning midnight thriller between Penn State and Fordham. The Nittany Lions prevailed, 5-2, in the second-longest game in PSU history.

As if the NCAA event wasn't exciting enough, Penn State then hosted the PIAA Softball Championships. Four games in one day on a sparkling afternoon in mid-June had nearly 3,000 fans attend. The first game of the day featured local powerhouse Philipsburg-Osceola and Brandywine Heights with a standing room-only crowd of 1,800 spectators. The PIAA is still a committed partner of Penn State Athletics, as Nittany Lion Softball Park and Happy Valley Hospitality earned rave reviews. Penn State's University Park campus has played host to the PIAA Championships in every season since Beard Field opened in 2011.

Nittany Lion Softball Park is located on the corner of Park Avenue and University Drive, facing the Bryce Jordan Center, Mount Nittany and Beaver Stadium to the southeast, providing spectacular views and a gorgeous setting for all who attend softball games.

"Bill and I are both very pleased to be a small part of this very impressive facility. For us, the decision to give to this facility, to this program, was easy because one of our big passions is certainly the students of this university, but in particular the softball program. Our passion to help the softball program is because we've watched this program grow. There are some common links to this group [of donors]: Fran and George [Vanden], the Stine Family, Peter and Ann Nagle, Bill and I all have in common a link in believing that this is a program that deserves the typical Penn State, first-class facility to be successful."
