BOWLIN STADIUM

The 2023 season marks the 22nd season Nebraska has called Bowlin Stadium home. The stadium's inaugural season was in 2002.

One of the top facilities in the country, Bowlin Stadium features seating for 2,530 fans, an underground system that heats the field, a large video board, FieldTurf and a padded wall. Just past the right field fence is the Alex Gordon Training Complex, a spacious indoor facility that is large enough for Nebraska to take live batting practice inside the complex. The clubhouse features a locker room, players' lounge, training room and coaches' offices.

Nebraska has won nearly 70 percent of its games at Bowlin Stadium. The Huskers have hosted four NCAA Regionals at Bowlin Stadium and ranked in the top 25 nationally in attendance 14 times, including four seasons ranked in the top 10.
