C Mackenzie Lawter Q&A Highlights  
Game 5 Postgame Presser  
May 22, 2022

***On preparing to go against Kentucky again:***

“I think we just [have] to have an approach when we go to the plate—just one game at a time, one pitch at a time. Not thinking too far in advance, so I think that’s got to be our mindset going in. We can’t think about what happened today.”

***On confidence built after winning a must-win contest:***

“Well, we had to win to get to tomorrow. We did what we had to do today and that’s behind us now. Our focus is tomorrow now.”

***On if there’s ever been such a short turnaround in games:***

“Not that I can think of, but it doesn’t matter. We’ll make it.”

***On finding the energy to get the win:***

“We wanted to play tomorrow, so it didn’t matter what we had to do. We were going to do what we had to do to get to tomorrow.”
